CHAIRMANS MESSAGE

Welcome back to Bury Cricket Club for the 2011 season. Our aims for the season will continue to be to aid development of all players that enter the Bury Sports Grounds. The pleasure of attending coaching sessions, nets and playing as well as playing the game within the rules and spirit of the game will be at the forefront of our attentions.

Unfortunately we have had to increase our annual subscriptions at all levels by £5 per annum. This increase will allow the Sports Club to maintain the standards that are needed for us to play cricket at Radcliffe Road. The annual subscription does allow for all members to be part of Bury Rugby Club in the winter months, Bury Squash Club all year round as well as the Cricket Club throughout the summer.

We welcome all family involvement at Bury Cricket Club and would hope that you will join us to watch both senior and junior matches. This year we will be playing cricket at Under 9's, 11's 12's, 13's, 14's, 15's and 18's, as well as four senior teams.

This season we have lost the services of Michael Alexander our professional and Zack Gowland. A thank you to both young men who have been a credit to their families and the club during their time with the club. Both served us well and we wish them every success in whatever the future holds for them.

Last year was a great success at all levels with the club financially keeping within its budget and for that I would like to thank all who supported the many fund raising activities throughout the year. Our First Team won both the Divisional Trophy and the HC Smith Cup, our second team were in contention for the title up to the last month of the season, our third team, whilst just failing to win promotion, did win the Hunter Trophy in a memorable day at Roe Green. Discipline did not reach the standards that our Club finds acceptable and whilst senior cricket needs to be, and should be, competitive we must always remember the values that makes cricket a special game.

Our junior section has shown great success again with many trophies won whilst developing cricketers at all ages. Our major task this year will be to integrate those juniors into our senior section at the correct time. This year, for the first time, we will be offering a mentoring scheme where any junior can ask to have a senior player to mentor them going forward. The club will pick a senior player that will then help and assist that junior in all stages of development including integration into the senior set up.

Our professional for 2011 will be South African Sarel Johannes Erwee. SJ, as he prefers to be known, is a left-handed bat and a right hand off break bowler. He will be involved with coaching juniors whilst with us. This year we also have a young man who currently resides in New Zealand joining us, Rhys McCarthy. Rhys has been highly recommended to us by our old friend New Zealander Owen Stevenson. Hopefully SJ and Rhys will enjoy their time with us as much as Michael and Zack.

In addition we are pleased to welcome both the Lancashire County Cricket Club Disability Squad and the Lancashire Cricket Board Ladies Team who will be using our facilities for training and matches at times during the season.

As chairman, and on behalf of the club, I wish you all a fantastic season of Cricket and thank you for supporting our club.

Mark Smith
Chairman

THE SPIRIT OF CRICKET

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captain. There are two Laws which place the responsibility for the team's conduct firmly on the captain.

1. Responsibility of Captains
 - a. The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.
2. Responsibility of Players
 - a. In the event that any player failing to comply with instructions by an umpire, or criticising by word or action the decisions of an umpire, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, and instruct the latter to take action.
3. Fair and Unfair Play
 - a. According to the Laws the umpires are the sole judges of fair and unfair play.
 - b. The umpires may intervene at any time and it is the responsibility of the captain to take action where required.
4. The Umpires are authorised to intervene in cases of:
 - a. Time wasting
 - b. Damaging the pitch
 - c. Dangerous or unfair bowling

- d. Tampering with the ball
- e. Any other action that they consider to be unfair
- 5. The Spirit of the Game involves RESPECT for:
 - a. Your opponents
 - b. Your own captain and team
 - c. The role of the umpires
 - d. The game's traditional values
- 6. It is against the Spirit of the Game:
 - a. To dispute an umpire's decision by word, action or gesture
 - b. To direct abusive language towards an opponent or umpire
 - c. To indulge in cheating or any sharp practice, for instance
 - i. To appeal knowing that a batsman is not out
 - ii. To advance towards an umpire in an aggressive manner when appealing
 - iii. To seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side
- 7. Violence
 - a. There is no place for any act of violence on the field of play.
- 8. Players
 - a. Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.
