## **THE BURY CRICKET CLUB ANNUAL DINNER**

At Bury Sports Club

Friday 5 October

## **ANNUAL GENERAL MEETING**

At Bury Cricket Club

29 January 2019

## CHAIRMAN'S MESSAGE

Inevitably when we come to think of the 2017 season we will remember the relegation of the 1<sup>st</sup> XI, but, as I have stressed on numerous occasions, Bury Cricket Club is more than just the 1<sup>st</sup> XI. Even so, as a club, we can treat the relegation of the 1<sup>st</sup> XI as a disaster or we can see it as an opportunity. We can decide we weren't good enough or we can look at what we could have done better and where we can improve and put processes in place to achieve that improvement. Whilst you can be in no doubt that we will be aiming to return to the premier division at the first attempt failure to achieve this will not be a disaster providing we as a club can see progress.

In fact despite the relegation it could be argued that the 1<sup>st</sup> progressed this year. They won the same number of games as last year, reached the cup final and were generally much more competitive throughout the year. Once again Karl did an admirable job in difficult circumstances. It is a mark of how competitive the GMCL Premier Division is that a side with 7 wins can go down in next to bottom place. We were unfortunate to lose at Woodbank, the coin toss at Walshaw was probably decisive and we were well on top against Bamford when rain ended the game. Had any two of those results come out differently then we would have survived. In the cup final Egerton ran out worthy winners having posted a challenging first innings total which we were unable to match. Disappointingly we used 22 players in the 1<sup>st</sup> XI this year and we found it difficult to select a settled side.

Jamal once again led the way with the bat racking up over 818 runs. Our professional Kasun chipped in with 543 runs which was a disappointing return and he never really imposed himself on the opposition or around the club. That being said he was a delightful individual and we wish him well. Alex and Jon both also contributed nearly 500 runs. Bowling wise Alex and Mukthar both performed with the ball picking up 39 and 37 wickets respectively. We perhaps missed a third seamer to help them with Kasun and Casmond contributing 50 wickets between them.

There will be some changes to the first team Kasun and Casmond will not be returning. Unfortunately Jamal will also be playing elsewhere this coming season. All three players leave with our best wishes and we hope to see them back soon. Karl has indicated that he would like to take some time out to recharge his batteries and spend time with his family. Once again thank you to Karl for his sterling efforts. Finally, Jordan has come to grief on the football pitch and will be unable to play this year. We welcome Matt Donnelly from Greenmount to fill the wicket-keeping

vacancy and Asif Iqbal makes a return to the club after a number of years. Ben Gorton from Read joins us and will also be involved with coaching. Our overseas amateur this year will be Gustav a 19 year old opening bowler from Pretoria, South Africa, Our professional will be Omar Bandy from Srinagar, India.

The 2<sup>nd</sup> XI once again had a solid season under Chris's leadership. ELPM and Roe Green looked to be the strongest teams in the division at the start of the season and despite our best efforts this proved to be the case as we finished a creditable though a little distant third. Usama Akram was our most effective run getter with 450, though the undoubted highlight was Mumtaz's 160 against Egerton. The ever dependable Arshad Raza picked up 38 wickets and was well supported by Usman and Majid with 32 and 27 wickets. The 2nds picked 30 players during the season and not one player was available for every fixture. On the positive side this did allow a number of juniors to get exposure to 2<sup>nd</sup> XI cricket and there were many pleasing performances which can only bode well for the future. I congratulate Chris on his ability to juggle player availability so adeptly.

The 3<sup>rd</sup> XI had a mixed season with some very good performances both collectively and individually. On the whole the club fielded a very young 3<sup>rd</sup> XI and this showed in the inconsistent performances. Despite this going into September the 3rds had an outside chance of winning the title but a combination of poor weather and a couple of defeats put paid to that. It was noticeable that the standard of opposition was somewhat erratic ranging from some poor sides to some stronger sides containing players who were emphatically not of a 3<sup>rd</sup> XI standard. Nevertheless, what other clubs do is up to them. We will continue to use the 3<sup>rd</sup> XI as a showcase for our junior talent, rotating them in and out to give opportunities to as many players as possible, and including senior players to provide experience. Inevitably, given the rotation policy a large number of players featured. Jon Stackhouse scored the most runs with 185 and Suliman Sarosh led the wicket taking with 10. Highlights that spring to mind include Ali Hassan's 100 in the first game of the season and Joe Mitchell's 5 for and 49 not out at Newton, and of course who could forget Jon Stackhouse coming to grief outside the Co-op. Where appropriate for next season we will try to run a friendly XI alongside some 3<sup>rd</sup> XI games to provide more opportunities for our juniors. However, we do require senior players to support this so as to avoid mismatches and provide the necessary guidance (and in some cases transport).

At the end of the season we had a player's meeting where player availability and to some degree commitment was discussed. There was a full and frank exchange of views and if I am honest more heat than light was generated. Some things were poorly expressed and I would once again like to apologise for anyone who was upset. On the positive side it was clear how much passion there is for the club. In a perfect world we would have a squad of 40 players across our 3 teams who were available across twenty of the twenty two weeks. For whatever reasons we are miles away from achieving this and I doubt we ever will. I also doubt that there are many clubs in the

country who can boast this. Nevertheless we should try to make every effort to improve our availability. I would also like a greater (off field) commitment from the players. Last year I talked about the level of subs being unsustainable at their present level if you, the players, did not bring in more money through ball sponsorship and fundraising. Regrettably the response was underwhelming and the new committee will undoubtedly have to revisit this. Even more regrettably we had to cancel the annual dinner due to low numbers. A number of regular (non-playing) attendees were not available but the number of players who would have been in attendance was frankly pathetic. I believe that the annual dinner is a great tradition and one of the things that makes this club special; evidently I am in the minority. It might well be that the Annual Dinner has had its day, if so what do we replace it with?

One of the things to come out of the players meeting was the setting up a players committee. I believe there has been a preliminary meeting where a players' code has been discussed. Over time I hope this can develop into an important function of the club as it is vital that the club develops in the way that you the players want not the way we the committee think you want. I understand the committee will eventually look at social events and I would urge players to get involved or at least contribute ideas to the group. Please would you contact your new captains in the first instance. I recognise that for several reasons selection has not worked as it should and we need to revisit this as a matter of urgency. I would hope that the players' committee has some input into this.

I think we can all agree that the outfield work has been a success. There are still some final sand banding to be completed but I feel that we played games that previously we would not have done. It has been a long hard road and hopefully we will reap the benefits for years to come. As part of the plan we have bought some new machinery which should hopefully see improvements to the quality of the square. We have also put in place a new maintenance regime. Additionally, thanks primarily to the work of Jon Wiggins we have a nice picket fence running across the top of the ground. We have also gained a grant that will be put to use tidying up the area around the side of the pavilion. Work in that area will begin once the weather improves. A number of saplings have been planted on the reverse slope of the "mound" and hopefully in time they will add to the aesthetic of the club. These incremental improvements are part of our agreement to provide you with the best facilities we can afford.

Last year we engaged Sam Holt as cricket coach and whilst we may not have got the full benefit from him we are more than happy to re-engage him. I would urge players to attend practice sessions and make use of his undoubted expertise. If there are elements of practice sessions that you are unhappy with let us hear what they are rather than not turn up or practice on different nights. Sam and the committee want practice sessions that work for you. I would caution that quality coaches are as rare as hen's teeth and whilst we cannot please all of the people all

of the time we want to build a long term relationship with Sam and hopefully attract players through this structure.

We have engaged a new junior coach, Maddy White, and we plan to do some coaching in schools. As a club we want to put the right structure in place for juniors and create a clear and permanent pathway for youngsters to join our club and therefore secure our future. Last year we took part in the All Stars programme aimed at 5 to 8 year olds and will be doing so again. Thank you to Matthew and Fraser for taking this on. Thanks to Dom and Jordi for the assistance on the coaching front. It was heartening to see the ground so well used on Friday practice nights. In terms of junior coaching we are always looking for people to offer their time and experience and I would urge you to help out when you can. If anybody who wishes to formalise this arrangement we will of course help you find and pay for coaching courses. We want Bury CC to be recognised as somewhere where a child will get a good cricketing education and parents looking for a club will choose us over others. Again, this is something we need your help with; wherever possible please spread the word about the good work we are doing. It would be remiss of us as a club not to look at developing a women and/or girls section. We cannot be blind to the opportunities that have sprung from having a successful and high profile England Womens team. This year we intend to hold a women's soft ball festival in conjunction with the LCB. At this stage that is the extent of our plans but not of our ambition.

At the junior level whilst it is nice to have winning teams and future stars it is more important to see children enjoying themselves, participating in our sport and conducting themselves in a manner that brings credit to themselves and the club. I am pleased to report that our junior teams achieved this last year. At opposite ends of the age spectrum we had some success. Our U9s went through the season unbeaten and our U18s were cup runners up. Our U11s, U13s and U15s were all competitive. Thank you to the respective team managers; your teams reflected well upon you. I know it was not always easy trying to arrange fixtures with clubs whose only concern is getting their strongest team out. Hopefully this season there will be stronger guidelines from the league and more fixtures in general. My thanks once again go to Paul our non-Junior non-Coordinator for his behind the scenes work.

I would like to acknowledge the work of our scorers James, Freddie and Josh who have continued their good work on CricHQ. We are now providing live streaming of all our games and there is a highlights package available which can be viewed through our website. Can I thank Roger for his work on social media and publicising the club. Please take a look at the club website, [www.burycc.co.uk](http://www.burycc.co.uk). It is still a work in progress and we would be happy to receive any constructive points you may have, or for that matter news or articles for the website.

I sometimes wonder whether as a committee we appear to be a closed shop, that we don't want help, or that we don't give people the responsibility to develop and run with their ideas. If this is

the impression we give out then it is the wrong one. We want your help, whether that is a Sunday afternoon running the counter, filling in a grant form or running a fundraising event; in whatever way we would welcome it. Also give us your ideas; it is your club after all. Do not presume that the committee has the monopoly on goods ideas. Please do not be put off bringing your ideas forward because you may not be able to deliver that idea on your own. If it is a good idea it is a good idea and together as a club we might bring it to fruition.

Our golf day continues to go from strength to strength and will take place this year on Friday 11<sup>th</sup> May at Pike Fold. Your support is welcome.

Last year's summer tour was a great success and was enjoyed by all. I believe we are awaiting confirmation of a date from Rydal School but unless Wayne is going to tell us differently the tour week will be the same as last year with games against Bangor on Tuesday 24<sup>th</sup> July, Llandudno on the Wednesday, before finishing at Colwyn Bay on the Thursday.

We are also very pleased to announce that Archway Building Services, long time supporters of the club have agreed to become Main Club Sponsor for the next two years.

Mark Smith - Chairman

### All Stars 2018

After the success of this junior cricket program for 5-8 year old boy and girls last year, we will be running it again from Friday May 25<sup>th</sup>. If anyone knows any children who fancy a go at cricket, please get in touch with [matt@burycc.co.uk](mailto:matt@burycc.co.uk).

The club would like to thank Matt Metcalfe and Fraser Parr for all the hard work they put in on this in 2017 and for taking it up again this year.

# The Spirit of Cricket and the Laws of the Game

## The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

- Respect is central to the Spirit of Cricket.
- Respect your captain, team-mates, opponents and the authority of the umpires.
- Play hard and play fair.
- Accept the umpire's decision.
- Create a positive atmosphere by your own conduct, and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes, and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.
- Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

## The Laws of the Game

There have been a number of major and minor changes to the Laws of Cricket for the 2018 season. These are only a summary:

- Now written in language applying to all persons, regardless of gender.
- The Handled the ball Law has been deleted, with its contents merged into Obstructing the field.
- The Lost ball Law has been deleted and is now covered under Dead ball.
- Limits placed on the thickness of the edges and the overall depth of the bat.

- Injuries hoped to be prevented in a new Law which allow mechanisms tethering the bails to the stumps.
- Bowling of deliberate front foot No balls to be treated in same way as deliberate full-tosses.
- A new Law of the game, Law 42, Players' conduct, is introduced, giving an in-match consequence for poor on-field behaviour.
- The Law regarding running out the non-striker has been altered.
- 'Bouncing bat' Law changed, substitutes now allowed to keep wicket and concept of penalty time amended.

## New Law 42 Players' conduct:

This is a new Law that deals specifically with players' misconduct and is introduced following widespread consultation, surveys with players and umpires and a series of trials of the different levels of sanctions.

It is widely accepted that there is a need both to provide the umpires with appropriate on-field sanctions to deal with deteriorating levels of behaviour, not just to report such matters, and that there should be different levels of sanction leading to sending off for acts of violence.

Four different levels of offences have been created, with Level 4 being the most serious. The umpires shall determine into which of the Levels an unfair action falls and will apply the appropriate sanction.

The four levels of sanction are set as:

- **Level 1:** Warning then 5 penalty runs to the opposition for a repeat offence.
- **Level 2:** 5 Penalty runs to the opposition.
- **Level 3:** Offending player is suspended for a number of overs, depending on the length of the match, plus 5 Penalty runs to the opposition.
- **Level 4:** Offending player is removed from the field for the rest of the match, plus 5 Penalty runs to the opposition.

All breaches, including the first offence under Level 1, will attract a report to the Executive of the Team(s) and the Governing Body.

For all offences under Level 1-4, the umpire will call Time and summon the relevant captain, who will be informed of the breach of Law and the associated penalty. If appropriate, the umpire will instruct the captain to remove the offending player

from the field.

New signals for Level 3 and Level 4 offences have been created, which are covered in Law 2.13. The signal for each offence is made to the scorers, not the player, and starts with the umpire putting an arm out to the side of the body and repeatedly raising it and lowering it.

For Level 3 offences, this is followed by raising both hands, all fingers spread, to shoulder height, palms facing towards the scorers.

For Level 4 offences, the first part is followed by raising an index finger, held at shoulder height, to the side of the body.

In the, hopefully unlikely, event that a Captain refuses to comply with the umpires' instructions under Level 3 or 4 then they will consider awarding the match if one captain is involved or abandoning the match if both refuse to comply and it is impossible to resolve matters. This is covered in Law 42.6.

Law 42.7 clarifies that, if it is the wicket-keeper who is suspended or sent off, a substitute will not be allowed to keep-wicket. It also makes clear that, if the Level 3 or 4 offence is committed by a substitute or a runner, the player for whom they are fielding / running will be affected by the punishment.

This system is designed to give the umpires on-field penalties to tackle poor behaviour. However, as with other penalties under the Laws, these new sanctions are intended as deterrents, the presence of which should reduce the frequency of poor behaviour, so that they would only rarely be applied

These changes in the majority of cases specifically relate to discipline and the code of conduct. Captains will continue to be responsible for their teams behaviour, on field penalties may well result in the captain having to remove a player from the field of play and penalty runs being awarded by the umpires.

It is imperative that all players, members and club officials strictly adhere to these laws.

# Match Sponsorships

We have four match sponsorship packages available for 2018.

## **Gold:**

Our gold package includes our delicious Cricket teas for 6 and alcoholic and non-alcoholic drinks throughout the day.

Photograph with the Captains.

Ring the Bell to start the game.

Your details displayed in the clubhouse and posted on social media.

## **Silver:**

Our silver package includes Cricket Teas for 4 and hot and cold soft drinks throughout the day

Your details displayed in the clubhouse and posted on social media

## **Bronze:**

Our bronze package includes Cricket Teas for 2

Your details displayed in the clubhouse and posted on social media

## **GMCL Marsden T20:**

Our GMCL Marsden T20 package includes Cricket Supper for 4 and a case of beer

Your details displayed in the clubhouse and posted on social media

Match ball sponsorship is a key aid to running of the club, helping to fund not only the purchase of cricket balls but also various match day running costs such as umpires and scorers. We anticipate spending over a £1000 this coming season on balls alone for senior and junior matches

40 fixtures to choose from, please contact Wayne on 07856 355424 for more information.
