CHAIRMAN'S MESSAGE

Welcome back to Bury Cricket Club for the 2013 season. Our aims for the season will continue to be to aid the development of all players that enter the Bury Sports Grounds. The pleasure of attending coaching sessions, nets and playing, as well as playing the game within the rules and spirit of the game, will continue to be at the forefront of our attentions.

We enter a new era for the club as we join the Bolton and District Cricket Association, we leave the MDCA with many happy memories and over the last few years great success culminating with last year's winning of both the Premier League and the Divisional Trophy. We wish Frances Harris and all at the MDCA every success in the future. As part of our future our new pavilion is now taking shape and your continued support is needed in the development of this facility. The modern building along with us joining the BDCA will hopefully be a springboard to increasing the number of juniors at the club along with maintaining the numbers within the senior section.

Our new league, the BDCA, will no doubt be challenging to our team but we do enter as champions of our former league and I am sure captain Simon Belston and the team will be attempting to make a good impression as we visit new grounds and play new teams. I would like to thank our professional from last year Milinda Siriwardana for his many fine performances during the season along with his replacement Abram Ndlovu who took over when Milly was called up by the Sri Lankan Cricket Board. In addition we will not have the services of Rhys McCarthy, Rhys has been an integral part of the club these last couple of years and we wish him well and thank him for his service.

Last season the weather took its toll particularly on our junior section. The season was highlighted by the impact of 14 year old Dominic Morris in making his first team debut as well as scoring his maiden century for the seconds and scoring over 800 runs in the process. We also saw on many occasions the junior influence on the 1st XI with at times seven players that started or are still in the junior ranks playing senior cricket. We will continue this process this season with hopefully more of our talented juniors pushing for both 1st and 2nd XI places. We do welcome all family involvement at Bury Cricket Club and would hope that you will

join us to watch both senior and junior matches. This year we will be playing cricket at Under 9's, 11's, 13's, 15's and 18's as well as our four senior teams.

Our overseas player this season will be Kobus Scholtz. Kobus is a right handed top order batsman currently playing for South West Districts. At 20 years old he follows both Mike Alexander and SJ Erwee in joining us from South Africa and we all hope he is as successful as them and that he enjoys his time with us.

As chairman, and on behalf of the club, I wish you all a fantastic season of cricket and thank you for supporting our club.

Mark Smith
Chairman

1. The ECB is committed to maintaining the highest standards of behavior and Conduct. This Code of Conduct incorporates the Spirit of Cricket, as set out below. It applies to all matches played under the auspices of the ECB and may be applied to cricket in general.
2. The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.
3. Players and team officials must at all times accept the umpire's decision. Players must not dissent at the umpire's decision or react in a provocative or disapproving manner towards an umpire at any time.
4. Players and team officials shall not intimidate, assault or attempt to intimidate or assault an umpire, another player or spectator.
5. Players and team officials shall not use crude and/or abusive language (known as "sledging") nor make offensive gestures or hand signals nor deliberately distract and opponent.

The Spirit of Cricket

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captain.

1. There are two Laws which place the responsibility for the team's conduct firmly on the captain.

Responsibility of Captains

The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

Responsibility of Players

In the event that any player failing to comply with instructions by an umpire, or criticising by word or action the decisions of an umpire, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, and instruct the latter to take action.

2. Fair and Unfair Play

According to the Laws the umpires are the sole judges of fair and unfair play. The umpires may intervene at any time and it is the responsibility of the captain to take action where required.

3. The Umpires are authorised to intervene in cases of:

- Time wasting
- Damaging the pitch
- Dangerous or unfair bowling
- Tampering with the ball
- Any other action that they consider to be unfair

4. The Spirit of the Game involves RESPECT for:

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

5. It is against the Spirit of the Game:

- To dispute an umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance

(a) To appeal knowing that a batsman is not out

(b) To advance towards an umpire in an aggressive manner when appealing

(c) To seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side

6. Violence

There is no place for any act of violence on the field of play.

7. Players

Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.
