# CHAIRMAN'S MESSAGE

Welcome back to Bury Cricket Club for the 2016 season. Our aims for the season will continue to be to aid the development of all players that enter the Bury Sports Grounds. The pleasure of attending coaching sessions, nets and playing, as well as playing the game within the rules and spirit of the game, will continue to be at the forefront of our attentions.

We enter a new era for the club as we join the new Greater Manchester Cricket League, we leave the BDCA after a short few years with many good memories and success culminating with winning the Cross cup in 2014.

Our new league, the GMCL, will no doubt be challenging to our club but we do enter with great enthusiasm and hope under our new 1<sup>st</sup> team captain Karl Belston, along with our existing 2<sup>nd</sup> and 3<sup>rd</sup> team captains, Chris Potts and Paul Belston.

I would like to thank both Sean Gibson and Simon Belston our captains for the last two seasons every success in their new ventures. Sean was only with us a short time but was very much appreciated by all at their club for his coaching skills and commitment at both Junior and Senior levels and on his field attributes. Simon leaves us for a new life in Australia, Simon was and is Bury Cricket Club through and through, whether on or off the field he played to win and it is without doubt that the club would not have flourished in the way that it is as over the recent years without Simons involvement. Our good wishes goes to the both of them.

Our 3<sup>rd</sup> team won the Stanley Hunter Cup in the last year of the North Manchester Cricket League able led by our on and off field captain Paul Belston. Our congratulations go to all the players who played in the cup run with a special mention to the Man of the Match in the final Dom Morris.

I would like to thank our professional from last year Ashen Silva for his many fine performances during the season. Ashen was a pleasure to have round the club and whilst he is not with us this year we wish him well at Great Harwood Cricket Club.

It was also with great pleasure to see one of our ex players Milinda Siriwardana make his debut for Sri Lanka last year. Whilst with us Milinda made many friends and hopefully if picked for the Sri Lanka squad for this years tour to England Milinda will be able to join us at Radcliffe Road one more time.

As always we endeavour to give our Juniors as much coaching and matches that our resources allow. Last year was no exception, the volunteers that give their time so freely have worked once more to develop both boys and girls so that they can enjoy the game of cricket to their fullest extent. To that end I must thank our retiring junior co-ordinator Paul Belston, Paul will continue to be coaching our juniors but will be ceasing the administration and management role that he has also excelled at. We all thank for Paul for his great efforts in the role and hope that he continues to enjoy his coaching role that is recognised not only within the club but also at District and Inter-League levels.

As chairman, and on behalf of the club, I wish you all a fantastic season of cricket and thank you for supporting our club.

Mark Smith  
Chairman

# The Spirit of Cricket

**Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captain.**

1. There are two Laws which place the responsibility for the team's conduct firmly on the captain.

## **Responsibility of Captains**

The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

## **Responsibility of Players**

In the event that any player failing to comply with instructions by an umpire, or criticising by word or action the decisions of an umpire, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, and instruct the latter to take action.

## **2. Fair and Unfair Play**

According to the Laws the umpires are the sole judges of fair and unfair play. The umpires may intervene at any time and it is the responsibility of the captain to take action where required.

3. The Umpires are authorised to intervene in cases of:

- Time wasting
- Damaging the pitch
- Dangerous or unfair bowling
- Tampering with the ball
- Any other action that they consider to be unfair

4. The Spirit of the Game involves RESPECT for:

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

5. It is against the Spirit of the Game:

- To dispute an umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance
  - (a) To appeal knowing that a batsman is not out
  - (b) To advance towards an umpire in an aggressive manner when appealing
  - (c) To seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side

6. Violence

There is no place for any act of violence on the field of play.

7. Players

Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.
